Dear Nick

**WORKING WITH OPTIMUM**

I would like to take this opportunity to say how much I enjoy working with everyone at Optimum.

I really appreciate the friendliness, respect and consideration shown by all - from reception through to projects, admin and accounts. In addition, projects are well co-ordinated and of a consistently high quality. What more could a contractor ask for: organised, highly principled and accountable staff and great programmes!

Your team is a fine reflection of your company - and you have my vote as the most professional Training Provider I have worked with over the past ten years.

Kind regards
