

SKILLED OPERATORS | ENHANCED EFFICIENCIES

FOOD & BEVERAGE PACKAGING

CERTIFICATION	NQF 3 National Certificate in Food & Beverage Packaging (SAQA registered qualification ID 57694 - FoodBev SETA)
ENTRANCE REQUIREMENT	NQF 2 Communication, NQF 2 Mathematical Literacy
TARGET GROUP	Packaging line operators
DURATION	Learners spend up to 32 days in class over a period of 12 months

MODULES

Fundamental

- NQF 3 Communication
- NQF 3 Mathematics

Core

- Quality Principles
- Basic Machine Operations

Elective

Example of elective modules:

- The FF&S Process
- The Packing Process
- Operator Environment

WHY THIS LEARNERSHIP?

Operators will achieve:

- 1** A practical understanding of Standard Operating Procedures (SOPs)
- 2** The ability to operate packaging lines without supervision
- 3** The ability to improve Overall Equipment Effectiveness (OEE)
- 4** Competence and confidence in the process of troubleshooting and problem solving
